

About Jennie Elliott School Council (JESC) and Jennie Elliott Parent School Association (JEPSA)

Jennie Elliott School has a very involved parent/guardian community. JESC and JEPSA work together to support our school in providing an excellent education for children through an active partnership between students, teachers, parents, staff and community members. It is also how you can have a voice in educational issues. All parents/guardians are welcome to be members, along with the principal and other staff members. Whether you are able to attend one meeting or regularly, your input and advice is always valued.
