Dear Parents/Guardians,

We are excited to announce that Jennie Elliott School will be offering a running club program this fall. All students in Grades 1-6 are invited to participate in this club. Practices will be held during some recess times **commencing September 23rd**. We recognize this is a quick turnaround in order to join the running meets with the other schools!

In addition to practicing, Jennie Elliott students will have the opportunity to compete in various after school running club meets with students from Nellie McClung, Louis Riel, Sam Livingston, and Woodbine School. Students run according to their grade/gender group.

Race Day Procedures

The general procedure for race day is: arrive with parents/guardians at the cross-country site, find the supervising teacher from Jennie Elliott, walk the course, stand by your grade/gender sign, wait to be called with your group, line up and run! Students are asked to dress for the weather, wear running shoes that fit well, and bring a water bottle. On race days, if the weather is inclement, the race will be cancelled and not typically re-scheduled. This decision will not be made until noon of the race day; cancellation information will be sent through a school email. Please wait until after lunch to contact the school regarding race cancellations.

Parent/Guardian Responsibility

Parents/guardians are responsible for **transporting** their student to/from the meets and **supervising** them at all times. Parents/guardians are encouraged to arrive with their child at the cross-country race school site by 3:55 pm. Walk through of the course will begin at 4pm.

Practice Schedule: Div 1 Recess (1:50-2:05pm), Div 2 Recess (10:20-10:35am)
September 23, 24
October 1, 2, 7, 9, 14, 16, 21, 23

Meet Schedule: **Walk course at 4:00pm. Races commence after that.**
