JESC SAFE ROUTES TO SCHOOL – VOLUNTEER OPPORTUNITY

The Lakeview Community Association has secured grant funding to beautify the area around the school zone to increase pedestrian safety and make it easier for children to walk, bike, and access the school. Over the summer and early fall, a team of volunteers (including kids!) will be working together to paint. **We welcome all families to participate.** Reach out to jennieelliott1962@gmail.com to join!

JEPSA CASINO – VOLUNTEER OPPORTUNITY

Jennie Elliott School's Casino event is October 6-7, 2025 at Elbow River Casino. This event helps raise funds for important school resources, including residency programs, books, musical instruments, gym equipment, and the new outdoor learning space. **This is Jennie's LARGEST fundraiser. We need about 40 volunteers for three shifts each day.** No experience is required, and meals and parking are provided.
